

PALISADES INTERSTATE PARK COMMISSION 2025 ROCKLAND LAKE STATE PARK BUS PERMIT PACKET

Conditions & Requirements

Any group planning to travel to our parks with buses must obtain bus permits well in advance of their outing. Groups are required to comply with the rules and regulations of the New York State Office of Parks, Recreation and Historic Preservation and the Palisades Interstate Park Commission.

1. All applications are processed on a first come, first served basis. Each bus permit entitles the group to one day of recreation at the site stated on the permit and permission to travel on the Palisades Parkway. Additional fees may apply for some activities. **Applications must be postmarked at least fourteen (14) days prior to your outing date.**
2. Applications can only be accepted by email (rocklandlakesp@parks.ny.gov) or by fax (845-268-7598), and there are two options for payment. You can pay with the credit card authorization form, or by check/money order. Checks/money orders must be received within at least seven (7) days after your application has been accepted. When submitting your application, be sure to include the following:
 - a) Completed Application (*Applications that are not complete or illegible will be returned.*)
 - b) Completed Credit Card Authorization form.
 - c) A certified check, company check, or money order made payable to: **NYS PARKS**
3. Bus permits are valid only for the number of buses, date(s) and park(s) specified on the permit. Bus groups that arrive at the park without permits will be charged the on-site fee, if space is available, regardless of the group's not-for-profit status. If space is not available, the group will not be permitted to enter. If space is available at one of the nearby parks, the group will be sent there.
4. In the event of inclement weather, such as rain, the group may call at least one day before the original date to reschedule. A request to reschedule will be granted only if space is still available on the new date you are considering. *There are no refunds due to the weather.*
5. Refund requests must be in writing and conform to the following schedule: A) For cancellations made more than 30 days prior to the reserved date a full (100%) revenue credit shall be issued. B) For cancellations made prior to ten (10) days before the reserved date, a 50% revenue credit shall be issued. C) No revenue credit shall be issued for cancellations made less than ten (10) days prior to the date of the reservation. However, under special circumstances such requests may be processed as refunds. D) Applicable Processing fees are to be deducted from the amount of the revenue credit.
